KEEP OUT OF REACH OF CHILDREN
See the precautionary statement below

PRECAUTIONARY

BEFORE USING THIS PRODUCT READ ALL PRECAUTIONS, DIRECTIONS FOR USE, AND CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

CAUTION: May cause slight irritation if allowed to directly contact skin or eyes. Do not take internally. Avoid contact with or inhalation of the spray mist. If product is being mixed with pesticide(s), follow all precautionary statements on the accompanying pesticide(s) label(s).

WHAT TO DO IN CASE OF CONTACT:

If swallowed: Do not induce vomiting unless told to do so by a poison control center or a doctor. Seek medical attention.
If in eyes: Immediately flush eyes with clean water for at least 15 minutes. If irritation persists, seek medical attention.
If on skin: Remove contaminated clothing and wash skin with soap and water. Seek medical attention if irritation persists.
If inhaled: Move victim to fresh air. If victim stops breathing provide artificial respiration, if needed, seek medical attention.
If contact is made with the spray solution containing pesticide(s), follow the "statement of practical treatment/first aid" on the pesticide label.

**DIRECTIONS FOR USE
FIELD CROPS**

This product is for use in a balanced program for the crops listed in the label. User should consult a trained agronomist or a certified crop advisor for specific recommendations.

Foliar fertilization with primary nutrients will not provide the quantities of nutrients required for normal plant growth. This product may cause foliar burn if applied in higher than recommended rates or concentrations. Use only as a supplement to a regular fertilization program. Foliar fertilization can be an effective remedy for diagnosed plant deficiencies of secondary nutrients and micronutrients, but may cause plant damage if applied at more than recommended rates or concentrations. Use of this product is recommended only as a supplement to a regular fertilization program and only on plants with confirmed secondary nutrient or micronutrient deficiencies.

FOLIAR: 100 mL/ha

For ground application use water volume of 30 to 100 L/ha. For aerial application use 5 to 20 L/ha.

CROPS: Wheat, Barley, Oat, Canola, Pulses and Cotton.

COMPATIBILITY: This product can be used/mixed with pesticides, but a "jar compatibility" test should be conducted for unfamiliar mixes in order to determine compatibility.

TANK MIXING INSTRUCTIONS: Mixing sequence when used with pesticides: 1. Water, 2. FULLTEC MAX, 3. Pesticide (Herbicide/Insecticide/Fungicide). If sequence for a product to be mixed is unknown, refer to the product label for specific instructions.

- Add 1/2 total water to the tank and turn on agitator. - Add prescribed amount of FULLTEC MAX. - Add herbicide, insecticide or fungicide. - Bring tank water volume to desired level.

GUARANTEED ANALYSIS

Nitrogen (N).....13.5 %
Phosphorus (P).....3.9 %

STORAGE AND DISPOSAL

Protect product from freezing (store above 0°C) and avoid extreme heat.
Store product in the original container. Keep tightly closed, in a cool, dry area. Store out of the reach of children and animals. Avoid contamination of water, food or feed with equipment cleanup and disposal of the product or spray waste. After use, rinse thoroughly and dispose of the container according to local, state and federal regulations.
Product best when used within three years of manufactured date.

**CONDITIONS OF SALE – LIMITED WARRANTY
AND LIMITATIONS OF LIABILITY AND REMEDIES**

Read the Conditions of Sale – Warranty and Limitations and Remedies before using this product. If the terms are not acceptable return the product, unopened, and the full purchase price will be refunded.

SPRAYTEC warrants that the chemical composition of this product conforms to the label description and that the product is reasonably fit for the purpose referred to in the "Directions for Use" on the label. The label is believed to be reliable and should be followed carefully, injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Spraytec or its Sellers.

The company warrants that this product conforms to the description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty or merchantability or fitness for any purpose and no such warranty shall be implied by law.
